THE LEARNING EXPERIENCE

Ceroc Blaze is suitable for dancers of all abilities but we do recommend, for maximum enjoyment, that you have some experience before joining the holiday. The Ceroc UK teachers' aim is to ensure that everyone gets something out of the classes; even the most advanced dancers will be stretched and will return from the week away with new additions to their repertoire. What's more, the teaching team inject a fantastic sense of fun into all the classes and workshops.

CLASSES & WORKSHOPS

Venue for classes: All the workshops will conveniently take place within the hotel.

Dance workshops: Ceroc Blaze offers a full schedule of dance workshops, with at least 2 hours each day. These workshops will not only give you precious time with the top Ceroc teachers in the UK who will entertain you with their humour, personality, and excellent teaching technique but also will give you the opportunity to take different modules including styling, lifts, drops and seducers, dirty dancing, fancy footwork, close moves, stops breaks and pauses. This is a unique opportunity to widen your Ceroc repertoire, gain confidence within your dancing and dance as much as you want.

We aim for all of our Ceroc events to be gender balanced. We believe that gender balancing is an important feature of Ceroc events as it ensures maximum enjoyment for everyone. Ceroc normally requires a male lead and to create a successful event it is important for both men and women to have equal workshop and freestyle opportunities.

We strive to ensure a successful gender balance by creating appropriate promotions where necessary.
