CLUB DANCE HOLIDAYS FACTSHEET

THE DESTINATION

Morzine is a traditional alpine character town on the French side of the Portes du Soleil ski area. Whilst the pistes and valleys are the main attractions here, the town also boasts a wide range of other activities, including ice diving beneath a lake, nature discovery tours, snowmobiling, tobogganing, snowshoeing and shopping. There is also a world-class ice rink and a choice of bars and nightclubs.

In the Morzine - Avoriaz area alone, there are 3 green, 29 blue, 28 red & 9 black slopes with 120km of skiing, 14 draglifts, 26 chairlifts and 3 cable cars. Just take a look for yourself.

Be ready for a 100% authentic French Alps experience.

CLIMATE AND WEATHER

January is ski season in Morzine with very good snow records, making it a great ski destination. The temperatures in January are quite cold, generally hovering around 0°C.

On average, the temperatures generally reach highs of 5°C whereas the average minimum temperatures drop to -2°C.

Morzine is at 1000m, however quite a lot of main ski areas are at 2500m level.

FOOD & MEALS

Breakfast and dinner are included and served at the hotel. An afternoon tea and snack are also made available after you return from the slopes, with wine included with your dinner service.

Cuisine: Food is a great part of life in the French Alps, and with all those outdoor pursuits to try, you can rest assured it is all very hearty! Local specialities are often cheese or cream-based (sometimes both...) featuring local meats, potatoes and with a token green salad. The food in the Alps is often accused of being unadventurous and 'lardy' but there are plenty of delicious regional dishes besides the good old fondue. The emphasis is very much on fresh local produce and so cured and seasoned meats will have come from cattle grazed on Alpine pastures, the local cheeses of Abondance and Beaufort will be prevalent and although there isn't a coastline in sight, there is still a regional fish dish! The *féra* is caught in nearby Lake Geneva and is a popular dish served in many restaurants, alongside other lake fish such as Omble Chevalier (char), truite (trout), brochet (pike) and perche (perch).

NIGHTLIFE

We include freestyle dancing in our private venue most evenings as well as a quiz night and a chance to enjoy the local bars.

There are certainly no shortages of places to go for a drink in Morzine, with a variety of bars/clubs and events that each offer something unique. From Inferno for some apres-ski action looking over Morzine and surrounding mountains, to the original live music venue Dixie Bar where you'll find Irish band 'Dixie Micks' playing regularly.

Morzine also has a real beer scene up and coming with a number of micro breweries and local ales to sample. The most common of these is Mutzig, which you should find served along with other local beers and great food at The Bec Jaune. For a back home pub feel though, you can check out the Rhodas bar & the Sherpa bar for a late night pint and some live music.

Whether it be a quick drink stop before heading down the mountain in time for dinner or partying into the early hours, Morzine has something to cater all moods and desires.

YOUR TEACHERS

Teaching the SkiFest workshops and dancing with you on the Freestyle Nights will be Debbie Attwood from Ceroc UK. Debbie brings her infectious enthusiasm and polished teaching method to Morzine. Debbie is much more than just a teacher; she will be hosting the trip and is a real party starter. Debbie will tailor the itinerary to you and ensure you have an explosive week.

CLASSES AND WORKSHOPS

Dance workshops: There will be freestyle most evenings with classes and a farewell party night. The dancing is suitable for dancers with some experience through to advanced dancers (we recommend that complete beginners take a few classes before joining the holiday).

All of our Ceroc Holidays are gender balanced. We believe that gender balancing is an important feature of our events as it ensures maximum enjoyment for everyone. By nature, Ceroc requires a male lead, and to create a successful event, both men and women need to have equal workshop and freestyle opportunities.

We work incredibly hard to ensure a successful gender balance. Sometimes, not everyone turns up to the classes or freestyles, but we know how important the gender balance is, and it is at the top of our priorities.

WHAT TO BRING / BEFORE YOU GO

What to wear for dancing: We recommend that you bring shoes with a leather sole for the dance classes and the evenings. Your shoes should be comfortable and supportive. Wear lightweight cotton socks to avoid sweaty and blistered feet! Wear comfortable loose clothing for the classes. We expect the Freestyle Nights to be quite dressy so bring some glam gear with you for the evenings!

Ski Equipment

This can be hired locally. Alternatively, we can arrange ski carriage with your airline. Get in touch for pricing.

AT YOUR DESTINATION

Banks and Money: The easiest way to obtain euros is by using a credit card at the cashpoints which are located at five minutes walking distance from the hotel. You can buy small amounts, as often as you like, at any time, without queuing. You will need to know your P.I.N. Banks in Morzine are usually open Tuesday to Friday 09:00 - 12:00 & 14:00 - 18:00, and Saturday 09:00 - 12:00. Banks will change cash, travellers cheques and will sell you currency on your credit card, providing the lines are open. You will always need to show your passport at a bank.

Tipping

Think of it as a gesture, not an obligation. Whilst it's not necessary it is appreciated for good service. A good tip for taxi drivers is 10% of the fare. Good service at a casual eatery from your waiter/waitress can propose 1 to 3 euro tip, or 5% of the bill for somewhere a bit fancier.
